

CPRT anniversary conference

**Primary Education: What is  
and what might be.**

18<sup>th</sup> Nov 2016

***Diversity: Barriers and  
Possibilities***

Lise Hopwood and  
Mel Ainscow

# The changing face of schools from 2010 to 2016

- numbers of children of primary school age
  - birth rate
  - migration
- policy changes
  - autonomy and innovation
  - new school types
  - funding
    - Pupil Premium
  - fragmentation and separation

# **Features of promising developments**

- **Driven by a commitment to values**
- **Seeing differences as a catalyst for innovation**
- **Collaboration within, between and beyond schools**
- **Using evidence to promote professional learning**
- **Committed leadership**
- **Area coordination**

**The most important factor:  
the collective will to make it happen**
